Why we want you

We are the RSPCA and it's our vision to live in a world where all animals are respected and treated with compassion. Our volunteers are incredible, they play an essential role in helping us carry out our important animal welfare work every day.

Our volunteer cheerers are responsible for cheering on and supporting our Team Animal participants taking part in challenge events, such as: running, cycling, trekking and swimming.

We know from speaking to our supporters that the cheers they get on the day inspire and encourage them to cross the finish line - they couldn't do it without you!

Sian - 2018 London Marathon Finisher said:

"It was really hard when I got to mile 20 of the London Marathon but the RSPCA cheer stand was at mile 25 and it gave me that last push to run and to finish it, it was really good."

Main activities:

- Cheering on the RSPCA fundraisers taking part in challenge events
- Asking friends and family to join you cheering

What you will be doing

- If you want to be inspired by our wonderful fundraisers and make some noise to get them past that finish, this is the opportunity for you.
