Our volunteer photographers are a vital part of every event, ensuring we capture every moment to share with our current and future fundraisers. We are looking for a Volunteer Photographer to take a wide range photos of RSPCA participants taking part in challenge events, such as: running, cycling, trekking and swimming, and our Team Animal cheerers.

- To produce images that are inspiring and make people feel excited and want to take part as a participant for the RSPCA in the next running event
- To produce images that capture the atmosphere of the cheering stations and encourage viewers to volunteer in future events.
- To produce a portfolio of images that we can use for promotion of the charity on a variety of platforms.
- To enable us to share the images taken with our participants as a snapshot of their incredible achievement.

## The skills you need

- You should be a keen photographer (amatuer or professional) with your own equipment
- You should be keen to support our charity and prepared to share the images you take with us to use for current and future promotions

- Be part of Team Animal and meet new people
- Add the images you take to your photography portfolio
